Work to be Performed/Discrepancies ("Services"):

I hereby authorize Freedom to perform the Service described above including the installation of necessary parts. I also agree to the current charges per aircraft as posted at the Front Desk of Freedom Aviation. I further agree that I have read and agree to Freedom's Terms and Conditions for Maintenance, Repair & Inspection Services, as amended, which are hereby incorporated by reference and available at www.flyfreedom.com.

Call-In Policy: Freedom Aviation maintains licensed A & P Mechanics on-call 24 hours a day. Our call-in fee is \$100 plus time and one half at the current labor rates. A minimum after-hours labor charge of two (2) hours of overtime will apply. This applies to weekends, holidays, or after regular shop hours.

Maintenance Shop Hours: Monday thru Friday, 8:00am to 4:30pm

AUTHORIZED BY: _____

The person signing above on behalf of customer hereby certifies that such person (a) has full power and authority on behalf of customer to sign and bind customer and the aircraft to the terms and conditions of this aircraft work authorization, and (b) has read and understands the Freedom Aviation, Inc. Terms and Conditions and agrees on behalf of the customer that such Terms and Conditions are part of this aircraft work authorization and apply to the work, and (c) has read, understands, and agrees to the specification/quote (including its attached terms and conditions) when incorporated into this work authorization.
